You may also register online by going to <https://CityofLivingston.bbcportal.com/>. By registering online directly, you create your own account with a user name and password, and can access your account at any time to change your notification settings. You can also add up to 5 physical addresses and up to 10 email addresses, but you cannot add fax numbers online.

I state that the\is information is correct, and I authorize City of Livingston personnel to enter this information into the City’s Blackboard Connect Emergency Notification System.
