The objective of the City of Livingston 2020-2021 Operating Budget is the formulation of a plan of operation to provide the highest possible level of service to the citizens of Livingston utilizing available financial and human resources. This year's budget is such a challenge with the ongoing COVID-19 pandemic and all of the uncertainty with our local, state and national economies but I believe the proposed 2020-2021 operating budget addresses the most critical needs of our community while maintaining our current levels of service. Customer service continues to be a high priority in all phases of the City's operation. This philosophy is incorporated into each budget document and serves to provide guidance in decisions affecting the scope of municipal programs and services.

As always, our main responsibility is to manage public funds wisely while planning for long-term growth in our community. We have experienced increases in some economic indicators over the past year including hotel occupancy tax, utility connections, as well as an increase in the sales tax collections. Currently, sales tax revenue accounts for 14.42% of the city's total annual operating revenue, while utility fees for sanitation, electric, water and sewer services account for 81.32% of the city's total annual operating revenue. Continuing growth in these two major revenue sources, which account for 95.74% of the city's total annual operating revenue, and additional funds from other sources, have allowed our city to continue to operate without an ad valorem property tax since 1988. We do not anticipate levying an ad valorem property tax for the upcoming year, however, city staff will closely monitor the local economic situation to determine when, and if, it becomes necessary to levy an ad valorem property tax in coming years.

2019 - 2020 has seen steady growth in the number of new and/or renovated businesses. These businesses will generate additional sales tax revenue, utility revenues and jobs for our community. This includes the Livingston Village Apartment Complex (80 units), B & G Family Dental, Dairy Queen, Walgreen's Pharmacy, Church's Chicken, Texas ICO, Inc. (welding supplies), Wall's Wellness/Massage by Jennifer, Livingston Senior Apartments and Jack in the Box.

The City Council and administrative staff continue to focus on providing the most efficient and cost effective level of services and programs for which our citizens are willing and capable of paying. We continually monitor our services to our citizens to validate that they are still considered an asset to the community. We rely extensively on feedback from our citizens in evaluating any new or existing program or service.

As always, the City owes a large debt of gratitude to the many volunteers who contribute so much to the well-being of our community. The members of the City Council devote many hours of their time guiding and governing our community for which I am very grateful. Our community has always been fortunate to have citizens willing to serve on the City Council, without remuneration, who have the best interests of this community as a whole as their guiding concern.

Mayor and Councilmembers

I would also like to publicly commend the members of the Livingston Volunteer Fire Department for their continued dedication to the fire prevention and fire suppression efforts in our community. These individuals give willingly of their time, sacrificing time with their families, to provide this extremely valuable service for the citizens of Livingston and the surrounding area.

We also appreciate the efforts of numerous youth organizations that work tirelessly to provide programming and maintenance for our baseball fields, softball fields, rodeo arena and fairgrounds, and soccer fields thereby saving the citizens of our community many thousands of dollars each year. Additionally, we rely on the help of many community volunteers to plan and conduct special community events like the Easter Eggstravaganza, Hometown Christmas event, Jingle Bell Fun Run, and lighted Christmas parade. These volunteers are instrumental in helping provide special events for our community as well as tourists who travel to Livingston to experience our small-town atmosphere.

I would like to acknowledge the contributions of our supervisory staff in working together to achieve a budget which, while fiscally conservative, meets the needs of an ever-growing community. I appreciate their hard work and their planning efforts on behalf of our citizens.

Most importantly, I want to extend my very special thanks to the employees of our city who are committed to providing quality services for our citizens 365 days of the year. They are truly a dedicated group of people who care deeply about our community and are eager to see Livingston grow and prosper.

It is an honor and a privilege to serve the citizens of Livingston and I pledge to continue to merit your confidence. I welcome your comments and suggestions for improvements to our facilities and services.

Sincerely,

**CITY OF LIVINGSTON, TEXAS**

## **PROPERTY TAX RATE INFORMATION**

## **PROPERTY TAX RATE INFORMATION**

In accordance with Section 102.007(d) of the Texas Local Government Code, we are providing the following:

The 2020 - 2021 budget will raise the same amount of revenue from property taxes as last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is \$0.00 (insert amount computed by multiplying the proposed tax rate by the value of new property added to the roll - \$0.00).

The City of Livingston has not levied an ad valorem property tax since 1988 and the 2020 - 2021 fiscal year budget does not include the levy of a property tax. Therefore, the City of Livingston property tax rates for the preceding and current fiscal year including the adopted rate, effective tax rate, effective maintenance and operations tax rate, rollback tax rate and debt rate remain at \$0.00.

The total amount of City debt obligations secured by property taxes at 10/1/20 is \$-0-. General Obligation bonds are direct obligations of the City payable from ad valorem taxes levied. Certificates of Obligation are direct obligations of the City payable from ad valorem taxes levied which are additionally secured by a subordinate pledge of the surplus of net revenue of the City's electric, water and sewer funds. Since the City does not currently assess ad valorem taxes, the CO and GO debt is repaid through sales tax revenue as well as other general revenue receipts.

The City Council met in regular open session on Tuesday, September 8, 2020, at 5:00 P.M. to consider and adopt the budget for the fiscal year 2020 - 2021. This budget was adopted on September 8, 2020 by a record vote of the City Council as follows:

AYES:           Alderman Alan Cook  
                 Alderman Elgin Davis  
                 Alderman Marion "Bid" Smith  
                 Alderman Clarke Evans

NOES:           None

(NOTE: Alderman Ray Luna was absent from the meeting)

## **2020 - 2021 FISCAL YEAR**

---

**Overview of General Fund**

**Statement of Cash Receipts**

**Statements of Disbursements and Revenues**

**Recap of Capital Expenditures, 2019-2020**

**Proposed Capital Expenditures, 2020-2021**

## **GENERAL FUND OVERVIEW** **FISCAL YEAR 2020- 2021 PROPOSED BUDGET**

The General Fund is the primary operating fund for traditional government services such as police protection, fire protection, sanitation collection and disposal, street and drainage, library services, parks and recreation programs and facilities, general administrative and financial services, community development and code enforcement activities, municipal court operations, and garage operations. Additionally, special programming such as the Trade Days event and Main Street historical renovation program are included in the General Fund operations. These services are, to a large extent, financed by sales taxes, fines and fees, hotel occupancy taxes, gross receipts and franchise fees, various user fees, and grants.

**Revenues:** Anticipated cash receipts for fiscal year 2020-2021 are estimated to be \$6,258,600.00. This results in a decrease of \$104,302.00 over the cash receipts of \$6,362,902.00 from the previous fiscal year. With the COVID-19 Pandemic continuing on, and with so much uncertainty about our economy, we feel that we have to be conservative in estimating future sales tax, hotel occupancy tax as well as municipal court fines.

**Expenditures - Operating Account:** Total operating expenses for fiscal year 2020-2021 are estimated to be \$7,407,450.00, an increase of \$699,150.00, or 9.59%, over the previous fiscal year's operating expenses of \$6,708,300.00. This increase is due to a 1.5% cost-of-living adjustment in salaries (\$65,045.00), a 5.0% increase in employee health insurance costs (\$47,628.00), an allocation of \$160,000.00 for demolitions in our Code Enforcement Department, and increased costs of facility maintenance, upgrades and repairs to buildings and grounds.

**Expenditures - Capital Outlays:** Total capital expenditures in the General Fund for the 2020-2021 fiscal year are \$1,269,000.00. Other than normal recurring expenditures for major supplies in the various departments, such as limestone, asphalt, equipment rental, office and computer equipment, communications equipment, firefighting and hazardous materials equipment, library books and grounds maintenance equipment, we have included two patrol vehicles for the Police Department (\$96,000.00), a 250' storm drain to be installed from Milam to Calhoun (\$75,000.00), storm drain replacement on Chickadee Street (\$100,000.00), a storm drain installation on Mockingbird Lane (\$28,000.00), embankment repairs on Marsh Drive (\$100,000.00), new playground equipment for special needs children to be installed at Matthews Park (\$75,000.00), a forklift for the Garage Department (\$31,000.00), installation of an outdoor warning alert siren with controller (\$10,000.00) and additional fire hydrants to be installed in various locations throughout the city (\$20,000.00). An itemized listing of the proposed capital expenditures for the 2020-2021 fiscal year is included in the budget document.

**Expenditures - Debt Service:** The City's Certificates of Obligation, Series 2012 were paid off in December, 2019 so there will be no debt service expenditures from the General Fund for this next fiscal year.

## **UTILITY SYSTEMS FUND**

**2020 - 2021 FISCAL YEAR**

---

---

**Overview of Utility Systems Fund**

**Statement of Cash Receipts**

**Statements of Disbursements and Revenues**

**Recap of Capital Expenditures, 2019-2020**

**Proposed Capital Expenditures, 2020-2021**

## **UTILITY FUND OVERVIEW**

### **FISCAL YEAR 2020 - 2021 PROPOSED BUDGET**

The Utility Fund is the primary operating account for all enterprise operations of the City. These operations consist of the Electric Department, the Water Department and the Sewer Department. Fees charged for these services are used to fund the operations of the various utility departments, meet debt service requirements, and contribute annually budgeted amounts to the General Fund.

**Revenues:** Anticipated cash receipts for fiscal year 2020-2021 are estimated to be \$20,795,850.00, an increase of \$1,839,430.00 from the cash receipts of \$18,956,420.00 from the previous year. This anticipated revenue is due to the increase in electric, water and sewer sales to the residents of the new 80 Unit Livingston Village apartment complex that is opening in the Fall of 2020 on West Park Drive, the residents of the nineteen (19) new Baskin duplexes on Pan American Drive, Postel Industries expansion of their fabrication facility, and the new Jack in the Box which is opening in October, 2020.

**Expenditures - Operating Account:** Total operating expenditures for the Utility Fund for fiscal year 2020-2021 are projected to be \$16,041,000.00, an increase of \$819,000.00 from the 2019-2020 operating expenditures of \$15,222,000.00. Increased costs include the aforementioned 1.5% cost-of-living adjustment and the 5.0% increase in employee health insurance costs, along with a significant increase of our raw water costs from the Trinity River Authority (\$70,000.00) and an increase of projected operations and maintenance expense of our water treatment plant (\$447,000.00). The remaining increase can be attributed to rising costs of facility maintenance, upgrades and repairs to buildings and grounds.

**Expenditures - Capital Outlays:** Total capital expenditures in the Utility Fund for fiscal year 2020-2021 are projected to be \$2,337,000.00. Other than normal recurring expenditures for major supplies in the various departments, such as electric wire, poles, transformers, metering equipment, night and street lights, water and sewer pipe and fire hydrants, we have included \$150,000.00 for electric line reconductoring work, \$175,000.00 for right-of-way line clearing, \$300,000.00 for 8" water line installations to complete loops in the Bypass and Northeast areas of town, \$100,000.00 for a 12" water line installation for the south end of the bypass, \$360,000.00 for painting and pipe repairs to the West Street ground storage tank, as well as funds for various water distribution system and sanitary sewer system upgrades. An itemized listing of the proposed capital expenditures for the 2020-2021 fiscal year is included in the budget document.

**Expenditures - Debt Service:** The City's Certificates of Obligation, Series 2012 were paid off in December, 2019 so there will be no debt service expenditures from the Utility Fund for this fiscal year.

## **2020 - 2021 FISCAL YEAR**

---

**Overview of Debt Service Funds**

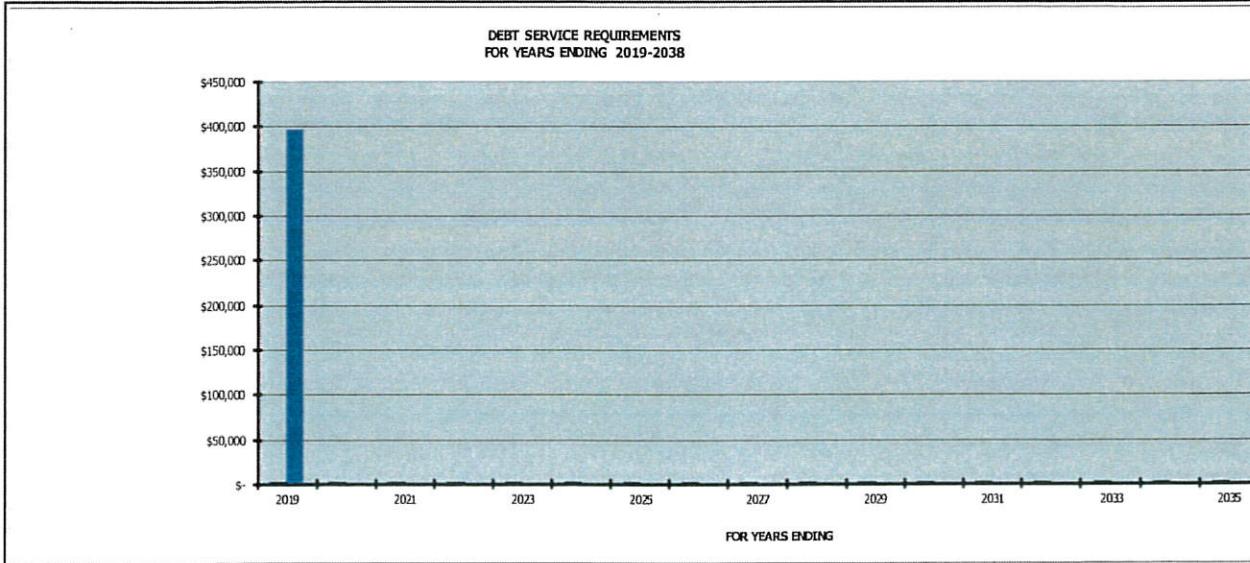

**Recap of Debt Service Funds**

**Certificates of Obligation, Series 2012**

## DEBT SERVICE FUND OVERVIEW

The City of Livingston issues long-term debt to fund major capital projects which cannot be funded through annual operating or reserve and improvement funds. Recent examples of projects for which long-term debt has been issued include the new library construction project, the new 1.0 MGD elevated water storage tank project, street improvement projects, water and sewer system improvement projects, as well as the Livingston Municipal Complex and parks and recreational facilities.

The following graph shows the annual debt service requirements for the City's outstanding debt including the Certificates of Obligation, 2012. The City's annual debt service requirements (principal and interest payments) ended in December, 2019 when these certificate were paid off removing any debt service requirements in this upcoming 2020-2021 fiscal year.
