Honorable Judy B. Cochran, Mayor  
and City Councilmembers  
City of Livingston, Texas

Dear Mayor and Council Members:

In Re: **ANNUAL BUDGET for Period**  
**October 1, 2018 through**  
**September 30, 2019**

I am pleased to submit the annual budget for the City of Livingston for the fiscal year October 1, 2018 through September 30, 2019, in compliance with the Texas *Local Government Code, Section 102.002*. Anticipated revenues reflected in this budget have been determined by realistic calculations providing monies for all city operations for the coming fiscal year and anticipated disbursements have been carefully established providing funds for the most necessary and needed areas of public service.

## **REVENUES**

Beginning Balance	\$22,766,826.78
Operating Income	\$24,900,147.00
Grant Funds	\$ 286,800.00
Transfers	\$ 0.00
<b>TOTAL REVENUES .....</b>	<b>\$47,953,773.78</b>

## **EXPENSES**

Operating Expenses	\$20,329,050.00
Capital Outlays	\$ 5,879,000.00
Debt Services	\$ 396,175.00
<b>TOTAL EXPENSES .....</b>	<b>\$26,604,225.00</b>
<b>YEAR END BALANCE .....</b>	<b>\$21,349,548.78</b>

The objective of the City of Livingston 2018-2019 Operating Budget is the formulation of a plan of operation to provide the highest possible level of service to the citizens of Livingston utilizing available financial and human resources. It is always challenging to balance the many needs of the City, as well as the desires of our residents. I believe the proposed 2018-2019 operating budget addresses the most critical needs of our community while maintaining our current levels of service. Customer service continues to be a high priority in all phases of the City's operation. This philosophy is incorporated into each budget document and serves to provide guidance in decisions affecting the scope of municipal programs and services.

As always, our main responsibility is to manage public funds wisely while planning for long-term growth in our community. We have experienced increases in some economic indicators over the past year including hotel occupancy tax, utility connections, as well as an increase in the sales tax collections. Currently, sales tax revenue accounts for 15.3% of the city's total annual operating revenue, while utility fees for sanitation, electric, water and sewer services account for 80% of the city's total annual operating revenue. Continuing growth in these two major revenue sources, which account for 95.3% of the city's total annual operating revenue, and additional funds from other sources, have allowed our city to continue to operate without an ad valorem property tax since 1988. We do not anticipate levying an ad valorem property tax for the upcoming year, however, city staff will closely monitor the local economic situation to determine when, and if, it becomes necessary to levy an ad valorem property tax in coming years.

2017 - 2018 has seen steady growth in the number of new and/or renovated businesses. These new businesses will generate additional sales tax revenue, utility revenues and jobs for our community. This includes the O'Lucky's Exxon gas/convenience store with a Schlotzsky's restaurant included, Best Stop gas/convenience store with a Huddle House restaurant included, Discount Tire and a Hartz Chicken and store build-out.

The 2018-2019 Budget will be challenging as I am requesting approval of \$5,879,000 of some much needed Capital Improvements for the City. Approximately 70% of the total is made up of the following:

- Two (2) Elevated Water Tanks (West and Walnut Streets) \$2.4mm
- Sewer System Upgrades \$500k
- Street Improvements \$500k
- Water Line Upgrades to improve water pressure in the City \$450k
- A new bucket truck for the Electric Dept. \$180k
- Three (3) new vehicles for the Police Dept. & Animal Control Officer \$122k

The City Council and administrative staff continue to focus on providing the most efficient and cost effective level of services and programs for which our citizens are willing and capable of paying. We continually monitor our services to our citizens to validate that they are still considered an asset to the community. We rely extensively on feedback from our citizens in evaluating any new or existing program or service.

As always, the City owes a large debt of gratitude to the many volunteers who contribute so much to the well-being of our community. The members of the City Council devote many hours of their time guiding and governing our community for which I am very grateful. Our community has always been fortunate to have citizens willing to serve on the City Council, without remuneration, who have the best interests of this community as a whole as their guiding concern.

I would also like to publicly commend the members of the Livingston Volunteer Fire Department for their continued dedication to the fire prevention and fire suppression efforts in our community. These individuals give willingly of their time, sacrificing time with their families, to provide this extremely valuable service for the citizens of Livingston and the surrounding area.

We also appreciate the efforts of numerous youth organizations that work tirelessly to provide programming and maintenance for our baseball fields, softball fields, rodeo arena and fairgrounds, and soccer fields thereby saving the citizens of our community many thousands of dollars each year. Additionally, we rely on the help of many community volunteers to plan and conduct special community events like the Easter Eggstravaganza, Hometown Christmas event, Jingle Bell Fun Run, and lighted Christmas parade. These volunteers are instrumental in helping provide special events for our community as well as tourists who travel to Livingston to experience our small-town atmosphere.

I would like to acknowledge the contributions of our supervisory staff in working together to achieve a budget which, while fiscally conservative, meets the needs of an ever-growing community. I appreciate their hard work and their planning efforts on behalf of our citizens.

Dennis Clifton	Chief of Police
Corky Cochran	LVFD Fire Chief
Jeff Hunter	Community Development Coordinator
Patricia Crawford	Finance Director
Priscilla Emrich	Librarian
Keith Foxworth	Garage Superintendent
Linda Hammond	Human Resources Coordinator
Hec Long	Public Works Coordinator
Josh Mohler	Fire Marshal & Code Enforcement Officer
Ellie Monteaux	Assistant City Manager & City Secretary
DeWayne Oates	Electric Superintendent
Amy Borel	Trades Days / Main Street / Special Events
Julie Miller	Utility Billing

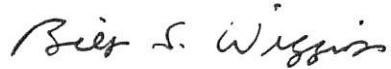

Most importantly, I want to extend my very special thanks to the employees of our city who are committed to providing quality services for our citizens 365 days of the year. They are truly a dedicated group of people who care deeply about our community and are eager to see Livingston grow and prosper.

# **PROPERTY TAX RATE INFORMATION**

## **PROPERTY TAX RATE INFORMATION**

In accordance with Section 102.007(d) of the Texas Local Government Code, we are providing the following:

The 2018 - 2019 budget will raise the same amount of revenue from property taxes as last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is \$0.00 (insert amount computed by multiplying the proposed tax rate by the value of new property added to the roll - \$0.00).

The City of Livingston has not levied an ad valorem property tax since 1988 and the 2018 - 2019 fiscal year budget does not include the levy of a property tax. Therefore, the City of Livingston property tax rates for the preceding and current fiscal year including the adopted rate, effective tax rate, effective maintenance and operations tax rate, rollback tax rate and debt rate remain at \$0.00.

The total amount of City debt obligations secured by property taxes at 10/1/18 is \$5,700,000. General Obligation bonds are direct obligations of the City payable from ad valorem taxes levied. Certificates of Obligation are direct obligations of the City payable from ad valorem taxes levied which are additionally secured by a subordinate pledge of the surplus of net revenue of the City's electric, water and sewer funds. Since the City does not currently assess ad valorem taxes, the CO and GO debt is repaid through sales tax revenue as well as other general revenue receipts.

The City Council met in regular open session on Tuesday, September 11, 2018, at 5:00 P.M. to consider and adopt the budget for the fiscal year 2018 - 2019. This budget was adopted on September 11, 2018 by a record vote of the City Council as follows:

AYES:           Alderman Alan Cook  
                 Alderman Ray Luna  
                 Alderman Elgin Davis  
                 Alderman Clarke Evans  
                 Alderman Marion "Bid" Smith

**Overview of General Fund**

**Statement of Cash Receipts**

**Statements of Disbursements and Revenues**

**Recap of Capital Expenditures, 2017-2018**

**Proposed Capital Expenditures, 2018-2019**

## **GENERAL FUND OVERVIEW**

### **FISCAL YEAR 2018- 2019 PROPOSED BUDGET**

The General Fund is the primary operating fund for traditional government services such as police protection, fire protection, sanitation collection and disposal, street and drainage, library services, parks and recreation programs and facilities, general administrative and financial services, community development and code enforcement activities, municipal court operations, and garage operations. Additionally, special programming such as the Trade Days event and Main Street historical renovation program are included in the General Fund operations. These services are, to a large extent, financed by sales taxes, fines and fees, hotel occupancy taxes, gross receipts and franchise fees, various user fees, and grants.

**Revenues:** Anticipated cash receipts for fiscal year 2018-2019 are estimated to be \$6,098,061.00. This is \$11,247.00 less than the cash receipts of \$6,109,308.00 from the previous fiscal year. We have not included an increase in General Fund revenue or other revenues for the 2018-2019 fiscal year.

**Expenditures - Operating Account:** Total operating expenses for fiscal year 2018-2019 are estimated to be \$6,594,550.00, an increase of \$353,425.00, or 5.66%, over the previous fiscal year operating expenses of \$6,241,125.00. This increase is due to a 2.4% cost-of-living adjustment for all salary classifications, a 5% increase in employee health insurance costs, and increased costs of facility maintenance, upgrades and repairs to buildings and grounds. No new positions or additional personnel have been included in the 2018-2019 fiscal year budget for the General Fund.

**Expenditures - Capital Outlays:** Total capital expenditures in the General Fund for the 2018-2019 fiscal year are \$987,000.00. Other than normal recurring expenditures for major supplies in the various departments, such as limestone, asphalt, equipment rental, office and computer equipment, communications equipment, firefighting and hazardous materials equipment, library books and grounds maintenance equipment, we have included \$96,000.00 for two patrol vehicles, \$68,000.00 for vehicles for various departments, \$75,000 for drainage work on Milam & Calhoun, as well as \$38,000.00 for the Phase 2 purchase of our financial software package. An itemized listing of the proposed capital expenditures for the 2018-2019 fiscal year is included in the budget document.

**Expenditures - Debt Service:** Expenditures from the General Fund for debt service for 2018-2019 for Certificates of Obligation, Series 2012 will be \$217,897.00, a decrease of \$404,401.00 from fiscal year 2017-2018.

---

**Overview of Utility Systems Fund**

**Statement of Cash Receipts**

**Statements of Disbursements and Revenues**

**Recap of Capital Expenditures, 2017-2018**

**Proposed Capital Expenditures, 2018-2019**

## **UTILITY FUND OVERVIEW**

### **FISCAL YEAR 2018 - 2019 PROPOSED BUDGET**

The Utility Fund is the primary operating account for all enterprise operations of the City. These operations consist of the Electric Department, the Water Department and the Sewer Department. Fees charged for these services are used to fund the operations of the various utility departments, meet debt service requirements, and contribute annually budgeted amounts to the General Fund.

**Revenues:** Anticipated cash receipts for fiscal year 2018-2019 are estimated to be \$19,088,886.00, an increase of \$443,357.00 from the cash receipts of \$18,645,529.00 from the previous year. This increase is due to anticipated revenue from water and electric sales.

**Expenditures - Operating Account:** Total operating expenditures for the Utility Fund for fiscal year 2018-2019 are projected to be \$13,734,500.00, an increase of \$721,500.00 from the 2016-2017 operating expenditures of \$13,013,000.00. Increased costs include a 2.4% cost-of-living adjustment for all salary classifications, an increase of debt service costs associated with the Trinity River Authority water treatment plant expansion project, and increased costs of facility maintenance, upgrades and repairs to buildings and grounds. Two new positions, in the Electrical Department, have been included in the 2018-2019 fiscal year budget for the Utility Fund.

**Expenditures - Capital Outlays:** Total capital expenditures in the Utility Fund for fiscal year 2018-2019 are projected to be \$4,892,000.00. Other than normal recurring expenditures for major supplies in the various departments, such as electric wire, poles, transformers, metering equipment, night and street lights, water and sewer pipe and fire hydrants, we have included \$2,400,000.00 for two new elevated water storage tanks, \$40,000.00 for electric line reconductoring work, \$250,000.00 for 8" water line installations to complete loops in the Bypass and Northeast areas of town, \$180,000.00 for a new bucket truck, \$200,000.00 for upgrading the water line on Liberty Drive from the Walnut Street tower to Highway 146 South, \$185,000.00 for rehabilitation of the FM 350 South sewer lift station, as well as funds for various water distribution system and sanitary sewer system upgrades. An itemized listing of the proposed capital expenditures for the 2018-2019 fiscal year is included in the budget document.

**Expenditures - Debt Service:** Expenditures from the Utility Fund for debt service for 2018-2019 for Certificates of Obligation, Series 2012 are in amount of \$178,278.00, a decrease of \$76,049.00 from fiscal year 2017-2018.

**Overview of Debt Service Funds**

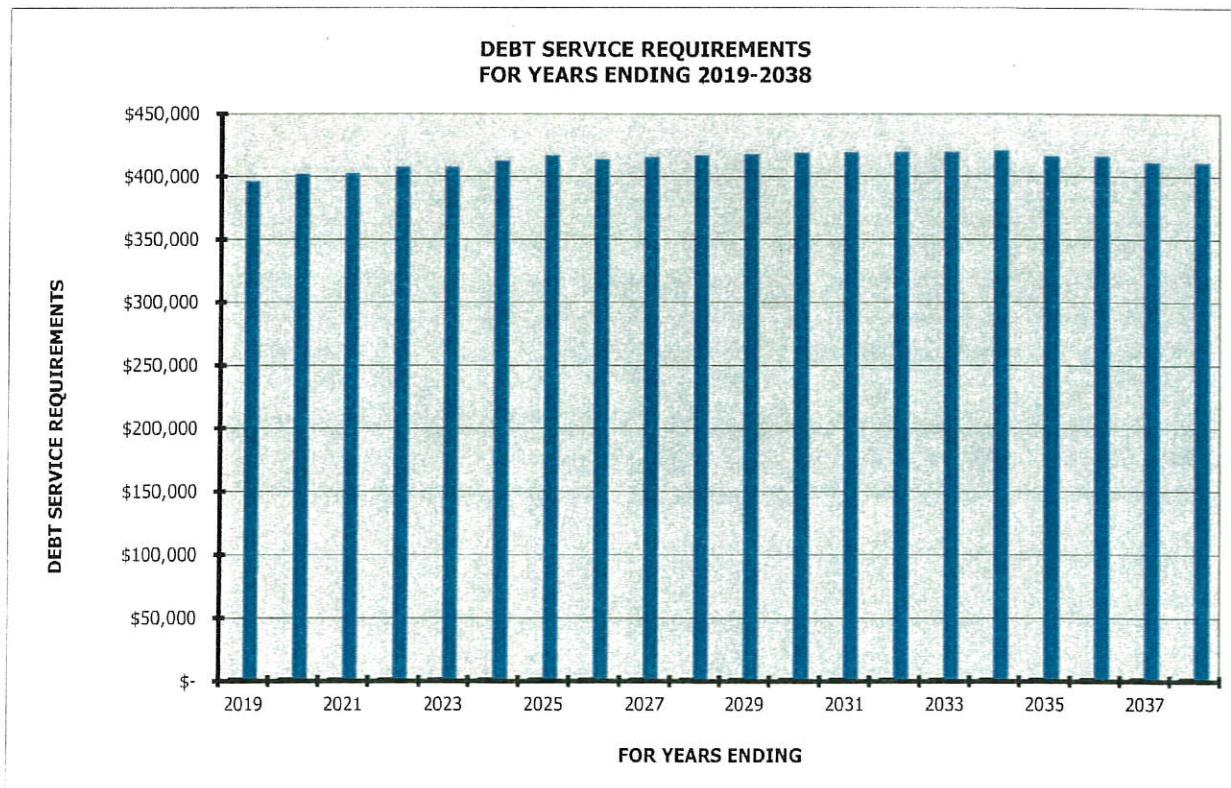

**Recap of Debt Service Funds**

**Certificates of Obligation, Series 2012**

## DEBT SERVICE FUND OVERVIEW

The City of Livingston issues long-term debt to fund major capital projects which cannot be funded through annual operating or reserve and improvement funds. Recent examples of projects for which long-term debt has been issued include the new library construction project, the new 1.0 MGD elevated water storage tank project, street improvement projects, water and sewer system improvement projects, as well as the Livingston Municipal Complex and parks and recreational facilities.

The following graph shows the annual debt service requirements for the City's outstanding debt including the General Obligation Refunding Bonds, 2007, Certificates of Obligation, 2012 and General Obligation Refunding Bonds, 2012. As you will see, the City's annual debt service requirements (principal and interest payments) reduce significantly beginning in the fiscal year ending 2019.
